

Join us for a Mother's Day Weekend of activities!

written by Mariah Summers | February 16, 2020

The snow is deep and the air is cold, but it's not too early to start thinking of those first blooming flowers and the warm sunshine on our faces. Mother's Day and spring go hand in hand, come and celebrate Mom and one of the first weekends of spring with us at the Keweenaw Mountain Lodge!

Mom works hard all year, and we have a whole weekend planned to celebrate her! The weekend will kick off with a **Friday** evening reception (May 8th), with complimentary appetizers and a cash bar. Join us **Saturday** morning (May 9th) with a hike and scavenger hunt in the fresh morning air, then send Mom off to a pampering massage by the talented [Johanna](#) while the rest of the family heads over to our **Create-Your-Own-Bouquet** station, provided by [Calumet Floral](#), to make mom a custom flower arrangement.

Saturday night, relax in the conference room for a movie and snack. Watch as a family, or Mom and Dad can drop the kids off to watch while they enjoy a dinner in our restaurant.

Sunday (May 10th) is the main event, our delicious Mother's Day Lunch. A delicious menu designed by our chefs for this special day.
