

Donation Application

written by John Mueller | January 15, 2023

The Keweenaw Mountain Lodge makes donations throughout the year to various organizations. The decision to donate is based upon multiple factors, with the main factor being how the organization and the purpose of the donation aligns with our core values.

If you feel that your organization and the purpose of the donation align with [our core values](#), use the link below to access and to submit the application for your donation request.
