The Keweenaw Mountain Lodge is located on a 177 acre property surrounded by wilderness at the top of the Keweenaw peninsula. As such, the resort and the surrounding area offers a multitude of outdoor activities, including golf, mountain biking, hiking, trail running, frisbee golf, sea kayaking for the summer, and snow-shoeing and cross-country skiing during the winter.

Outdoor Activities Center

What once was just a golf pro shop has now transitioned into an outdoor activities center, handling all the outdoor activities the Lodge and the wilderness of the Keweenaw have to offer. Visit the Outdoor Activities Center (OAC) to talk with any of the outdoor services team members. They will be able to get you acquainted with the golf course, the disc golf course, the trails, hiking, running, mountain biking, and more.

If you have any questions about the outdoor activities, you can contact us via online chat (link found in the bottom left corner of the screen, and when prompted which department to talk to select the "Outdoor Activities" department). Or you can email or call us at 906-289-4403, ext 4.
