The Golf Course at the Keweenaw Mountain Lodge is an enjoyable 9-hole golf course designed using the Keweenaw terrain, with spectacular views of Brockway Mountain. With alternate tee boxes, the golf course offers an enjoyable and varied round of golf.

While public appearances are not guaranteed, you will share the golf course with wildlife. Our summer residents include the Sandhill Cranes, our little fox families, and of course, the deer. These birds and animals allow us to play on their golf course, so have your cameras ready!
