

# Rental Golf Clubs

written by John Mueller | March 25, 2021

We rent golf clubs at the Keweenaw Mountain Lodge to make it easier for guests to enjoy their travels to the Keweenaw. Golfers do not have to tote their clubs with them when they travel to the Keweenaw and want to play a round of golf during their visit to the resort.

Note: It is recommended that you reserve your rental clubs ahead of time, as we do have a limited number of rental sets.

The rental sets consist of [Callaway](#) golf sets, for men and women, and for right- and left-handed golfers ([see rates](#)).
