

Bike Repair Stand Lending Program

written by Chris Guibert | June 25, 2022

KML lodging guests are welcome to borrow a bike repair stand from the Outdoors Activity Center (OAC). We know cleaning and maintaining your bike on vacation is the last thing you want to do, so the KML team would like to make this a little easier for you. We have a [Park Tools: PRS – 25 Team Issue Repair Stand](#) . Guests may also borrow a floor pump along with the stand.

There is no charge to use the repair stand , please call the OAC or stop in to make a reservation.

If borrowing the stand, PLEASE:

- Do not use the stand inside the cabin, you are welcome to use it in the space around your cabin.
- Do not use any of the Keweenaw Mountain Lodge's towels or sheets when cleaning your bike, we have specific cleaning rags to use.
- Return the stand and accessories in a timely manner so other guests may have a chance to use it.
- Return the stand back by 10:00 am the following morning if you borrow the stand overnight.

Team Issue Repair Stand - PRS 125

Reserve the Bike Stand

Contact the OAC to reserve a telescope. Email outdoor-activities@keweenawresort.com or phone 906-289-4403, ext 4.
