The Keweenaw Mountain Lodge is a great place to start your mountain bike adventure in Copper Harbor. We have teamed up with Trek Bikes to offer you the perfect bike to explore the local trails. You can rent bikes for a single day or for multiple days. Helmets, basic flat kits and pedals are included or you may provide your own!

For the 2021 season, we are offering a fleet of Trek Fuel EX 8 GXs. These enduro/technical trail bikes are for riders who want a versatile full suspension ripper that makes soul-crushing climbs less painful, however can also descend rowdy trails. For kids, we have both Roscoe 24s and Precaliber 24s.
