

Outdoor Activity Center

written by John Mueller | April 9, 2023

What once was just a golf pro shop has now transitioned into an outdoor activities center, handling all the outdoor activities the Lodge and the wilderness of the Keweenaw have to offer. Visit the Outdoor Activities Center (OAC) to talk with any of the outdoor services team members. They will be able to get you acquainted with the golf course, the disc golf course, the trails, hiking, running, mountain biking, and more.

If you have any questions about the outdoor activities, you can contact us via online chat (link found in the bottom left corner of the screen, and when prompted which department to talk to select the “Outdoor Activities” department). Or you can [email](#) or call us at 906-289-4403, ext 4.

Outdoor Activity Team members are ready to answer your questions.

Telescopes, mountain bikes, disc golf discs, golf clubs, binoculars can all be rented at the OAC. You

will also find outdoor products for sale unique to the OAC.

The OAC has a full bike shop in order to tune our rental fleet of Trek bikes.

The historic OAC cabin is nestled in the pines under the Milky Way.

Winter Outdoor Activities Center

In the winter we move the OAC into the Banquet room inside the main Lodge building. Snowshoe, Altai Hok ski and telescope rentals are available for pickup in this area. The staff is happy to help with route suggestions, information about trail conditions or local happenings in the area. Stop by and see us, we are here to help plan your adventure.
