Participants will meet in the Winter OAC which is located in the back of the Lodge.

We recommend arriving 30 to 45 minutes before to check gear, sign the waiver and meet the staff and other participants.

These dates were selected close to the full moon in hopes of a clear night. The snowshoe hikes will go off regardless of the weather so be prepared for changing conditions.

Recommended Items to bring: warm, layered clothing, head lamp – preferably one that emits red light , snow shoes, poles, goggles and an adventurous attitude.
