Participants will meet in the Winter OAC which is located in the back of the Lodge.

We recommend arriving 30 to 45 minutes before to check gear, sign the waiver and meet the staff and other participants. The restaurant is open on these evenings from 4:30 to 9:00 pm. If you are interested in dining at the Lodge and participating in the hike we recommend a 4:30 or 5:00 pm dining reservation.

These dates were selected close to the full moon in hopes of a clear night. The snowshoe hikes will go off regardless of the weather so be prepared for changing conditions.

Recommended Items to bring: warm, layered clothing, night lights, snow shoes, poles, goggles and an adventurous attitude.
