

Usage of the Property for Organized Outdoor Activities

written by Chris Guibert | February 2, 2023

The Keweenaw Mountain Lodge has 560 acres where one can recreate on. If you are going to use the Keweenaw Mountain Lodge property for an outdoor organized activity you are required to have a permit with the resort. And if you are going to have an organized event on the ground at the resort, there is a recreational facilities fee.

Commercial Recreational Use Permit

To use the property for any organized commercial use, you are required to have a permit. This permit is granted on an annual

basis and must be submitted each year. Please note that your organization will be required to have a C.O.I. (Certificate of Insurance) that lists the Lodge as insured under your policy. There is a non-refundable application fee of \$150, due at time of submittal; applications will not be reviewed until application fee is paid. This application fee helps to partially cover our administrative costs for reviewing your application.
