

Outdoor Services (Job Id: 18163)

written by Lucas Calhoun | November 10, 2021

Are you passionate about the outdoors? Are you an avid mountain biker, golfer and cross country skier? An *Outside Services* team member is part of the outdoor activities operations at the Keweenaw Mountain Lodge. This person must be willing to be a team player and enthusiastic about all outdoor activities (learn more about the outdoor activities at the Lodge).

Responsibilities and activities performed

The Outside Services team member is responsible for but not limited to:

- Greet and assist all guests visiting the Outdoor Activities Center in a professional and friendly manner.
- Work hand in hand with other teammates to ensure a positive guest experience.
- Must be able to work indoors (at our Outdoor Activity Center), and outside at one (or more) of our outdoor venues. These include mountain biking and hiking trails, a 9-hole golf course, a disc golf track, and more, all in a pristine wilderness environment.

Any experience in golf, mountain biking, hiking and/or cross country skiing is a plus.

At the Keweenaw Mountain Lodge, we strive to provide a fun,

joyous, and adventuresome working environment. An ideal employee behaves with integrity, honesty, and is always seeking opportunities to learn. The candidate we are seeking will provide excellent customer service, but will also support and help colleagues across the Lodge's various departments.

Timing

This position runs mid-May / late-May through October/ Fall, and possibly can become year-round if desired.

Employee housing available

We have housing available for employees this year in the hotel complex (double occupancy). [[View employee housing accommodations for the 2021 season](#)]

To Apply:

Please complete the form below and upload your resume as a PDF or Word file.

A recommendation: When answering the question about providing "*Examples of Your Values*", provide examples of how you live your values, and not just list your values in your answer.
