

# Lodge Life Shop

written by John Mueller | December 1, 2022

Our Lodge Life Shop opened within our main cabin doors in 2019. Since then we have made progress toward working with vendors and products that match [our values](#).

We offer a variety of goods that will remind you to stay fun, joyous, and adventuresome – even when you are not at the lodge.

Browse quality items made in Michigan, KML branded apparel, accessories, and more!

Those items can now be bought online at <http://lodgelifeshop.com>, and shipped to you anywhere in the continental United States.
