We offer lodging accommodations in Copper Harbor in the form of log cabins. The resort has 24 cabins, made up of 3-bedroom, 2-bedroom, and 1-bedroom units. Cabins either face the golf course (hole #1) or face the forest. Each cabin has a slightly different design, and each cabin has its own private bathroom. See pictures of several of our cabins below, as well as a cabin map and room rates below.

Reminder: Payment is by credit or debit card only.

Where are the pictures of the cabins? When going through the reservation process online, you will be able to see **pictures** of the specific cabin you are reserving. There are no lodging rooms in the main building of the Lodge.

We are in the wilderness, and the cabins are rustic and different from one another. Contact us to confirm which cabins are easier to access for individuals with limited mobility.

Small dogs are welcomed. There is a pet fee. See Lodging Policies for our pet policy.

Parties with more than 2 adults in a one bedroom, 4 adults in a two bedroom, or 6 adults in a three bedroom will be subject to a \$25 fee per additional adult.

Our online system is up to date. Our online lodging reservation system is the same system that our front desk has access to. So calling us will not show different availability. Thus, we suggest you use the online reservation system. [but if you want to call and chat, we would love to talk with you at the front desk about the resort]

Are you looking for lodging that is part of a wedding group or corporate retreat? If so, for those special events, call or email us at events@ to book your cabin during the dates of your event. Note: We block the cabins up to 30 days prior to an event to ensure that guests of that event can book their cabins (*based upon availability for that event / group*).
