The [Audubon Cooperative Sanctuary Program for Golf](#) is an education and certification program that will help us maintain our golf course to protect our environment and preserve the natural heritage of the game of golf. The program will assist us “to take stock of its environmental resources and any potential liabilities, and then develop a plan that fits its unique setting, goals, staff, budget, and time.” – [Audubon International](#)

The elements of the program include:

- Environmental Planning
- Wildlife and Habitat Management
- Chemical Use Reduction and Safety
- Water Conservation
- Water Quality Management
- Outreach and Education
