

Snow Biking

written by John Mueller | December 26, 2021

With the Keweenaw Mountain Lodge looking to expand its winter outdoor activities we are considering adding snow biking trails. This is our current project timeline for there to be snow biking at the Keweenaw Mountain Lodge.

TimeLine:

- Winter 2021-2022: Assess terrain and scout trail options.
- Spring/Summer 2021: Research equipment and check availability
- Fall/Summer 2021: Purchase equipment
- Winter 2022-2023: Begin grooming for snow biking
